Subject: UPDATE: Ascension Wisconsin COVID-19 Vaccine Clinic Progress

This communication is being shared now with all individuals working for Ascension Wisconsin or on behalf of Ascension Wisconsin.

To date, Ascension Wisconsin has administered COVID-19 vaccines to more than 21,000 individuals. We want to make sure all Ascension Wisconsin associates, affiliated providers and embedded support staff (Medxcel, Trimedx, Touchpoint, The Resource Group and R1) have been given an opportunity to receive their vaccines.

We currently have Associate vaccine clinics at 13 hospitals across the state.

0/2021

Click here to self-schedule your COVID-19 vaccine.

If you need assistance with scheduling, a help line is available beginning TODAY, January 20, 2021. Please call 800-444-4400 or email help@ascension.org. *This phone number is for internal use only. Do not distribute to individuals which do not fall into the groupings listed above.*****

Associate vaccination is not mandatory, but we strongly encourage all associates to receive a COVID-19 vaccine, at no cost. In our view, this is the right thing to do to protect our associates and those we are privileged to serve.

Thank you for your continued service to our Mission during these unprecedented times.
